MOBILE PLANT & EQUIPMENT HIRE

Earthmoving & Machine Hire Specialists

OUR CAPABILITY STATEMENT

WHO are Mobile Plant & Equipment Hire?

We are a local and family operated business. Mobile Plant & Equipment Hire are a trusted provider of high-quality earthmoving and machine hire services, delivering efficient, reliable and safe solutions across civil, commercial, mining and residential projects.

We are supported by a team of qualified HD Mechanics committed to keeping your projects running without costly interruptions. We understand that downtime means lost productivity and money. That's why we combine high-quality, well-maintained equipment with rapid-response mechanical support to keep your operations moving.

With a comprehensive fleet of modern machinery and experienced operators, we specialise in earthworks, land clearing trenching, site preparation and material transport.

Core Competencies

Our Key Capabilities

Extensive Fleet: Access to a wide range of equipment including excavators, loaders, dump trucks, graders, rollers, bulldozers, Forklifts, generators, and more – available for short- or long-term hire.

Modern, Compliant Equipment: All machinery is regularly serviced, safety inspected, and compliant with the latest industry and environmental standards.

Expert Support: Knowledgeable and experienced team available for technical guidance, site assessments, and equipment recommendations to ensure the right machinery for the job.

Operator Hire: Skilled, certified operators available with select equipment, enhancing productivity and ensuring safety and compliance on-site.

Flexible Hire Solutions: Competitive pricing with options for daily, weekly, or project-based hire agreements tailored to client needs.

Rapid Delivery & Logistics: Efficient transport and logistics network enabling timely delivery and pickup of equipment across WA.

24/7 Support & Maintenance: On-call support for breakdowns and maintenance to minimise downtime and keep projects on track. Preventative maintenance and scheduled servicing

WHY, Mobile Plant & Equipment Hire?

We go beyond just renting equipment. With our in-house team of experienced mechanics, we ensure every machine is maintained to the highest standard. In the event of a breakdown, we respond fast—minimising downtime, reducing project delays, and saving you money.

Differentiators:

- Fully equipped mechanical workshop and mobile service units
- Fleet maintained to OEM standards
- Fast turnaround on breakdowns and replacements
- One-stop solution: hire, service, support
- Industry-compliant and safety-focused operations

Proven Track Record

Extensive Industry Experience

20+ years of experience in earthworks and machine hire, delivering high-quality service to clients.

Successful Project Completion

Numerous projects completed successfully, showcasing our skills and commitment to excellence.

Reliability and Quality

Clients trust us for our reliability and quality of service in every project.

Adherence to Safety Standards

We prioritise safety standards, ensuring secure and accident-free work environments.

Health, Safety & Environment

Our plan for Safe Work Practices establishes best practice OHS&E standards for our operations addressing hazard control, accident prevention, training, and employee involvement as priorities.

SUPPORTING OUR COMMUNITY

Mobile Plant & Equipment Hire takes pride in supporting Kalgoorlie Boulder and Goldfields community, actively contributing to its growth. We understand the importance of investing in the community and strive to make a positive impact through various initiatives. We get behind and look for opportunities to help give back to organisations that operate and support our remote regional locations in WA.
